Aitchison Invited to Join the G20 Group of World Schools

As the only school in Pakistan to have been invited to join this prestigious group of schools (50 schools from 20 countries), it is testimony to how well the quality of our education is regarded externally. The College will gain much, and offer much, as we join this forum at its annual conference, this time, in Melbourne, Australia. By being part of an international forum that talks openly and confidentially about educational issues and which shares modern educational initiatives, Aitchison will continue to meet the highest expectations.

Summer Sports Camps at Aitchison College

The Cricket, Swimming, Tennis and Squash Academy Camps were successfully started in July at Aitchison College, where boys enjoyed practice, received individualized attention and acquired sports' skills.

Students attended these Academies regularly with great enthusiasm. The Academies were run five days a week; Monday to Friday. It was an excellent opportunity for boys to reach their full potential in sport.

The project will bring about massive change in the quality of our sporting facilities. Mr. Mustafa Ramday is chairing the Committee and it is currently appointing a project consultant and architect.

The roll out of the master plan will follow a funding trail of donations that may also offer naming rights.

Interested donors should contact the Bursar (bursar@aitchison.edu.pk) or the Alumni Office (alumniofficer@aitchison.edu.pk).

• The Old Building Fund
