ALUMNI IN FOCUS

Professor Rehman Sobhan

Old Aitchisonian Professor Rehman Sobhan is the Chairman of Centre for Policy Dialogue (CPD). Prof. Rehman was also the leader of the opposition in the Council of State in 1952. He was involved in the struggle for democracy and against injustice, which culminated in the emergence of an independent Bangladesh. These issues continue to motivate his professional life and inspire him to pen down his thoughts which he has published as well.

He was a student at Aitchison for the HSC class 1951-52. During his time it was the leading educational institution in what was then West Pakistan. It provided a well-rounded educational experience with exceptional facilities for learning, living, sports and extracurricular activities. Among his fond memories were the times he spent in Godley House with fellow HSC students and connected him to influential teachers like Mr. Gwyn, the Principal and Mr. Pinson, Housemaster of Kelly House; whose English lessons are still engrained in his memory. At Aitchison, he earned the Churchill House Medal, Hockey colours and was a Prefect at Kelly House. He was one of the best

Hockey players. After studying from Aitchison he spent 3 years at University of Cambridge from 1953-56 where he obtained a degree in economics. He was elected President of the Cambridge Majlis. Later on, he chose to teach economics at Dhaka University finally retiring as a Professor, a profession that he had gained interest in during his time at Cambridge. Professor Rehman later served as Director General of the Bangladesh Institute of Development Studies (BIDS).

As a message for other alumni Professor Rehman Sobhan duly emphasizes on always demonstrating empathy for the less privileged sections of our society. Surely little empathy can go a long way.

Mr. Shamim Saifullah Khan received his early education at Lawrence College, Ghora Gali, and subsequently joined Aitchison College as a student to complete his HSC. Despite the brevity of his stay, he became a Prefect, earned his tennis colours, and won the prestigious Jubilee Medal upon leaving in 1956. Mr. Shamim Khan gained a Tripos in Economics and Law from Cambridge, and later an Advanced Diploma in Education from the University of Hull. After a decade of teaching in his hometown, Peshawar, between 1961 and 1972, he returned to the U.K. where he worked until 1992, his last responsibility being as Senior Consultant to the Berkshire Education Authority.

Mr. Shamim Saifullah Khan has the distinction of being the first Old Aitchisonian to have become Principal of his alma mater and holds the privilege of having served the College for nearly fifteen years. He is responsible for orchestrating a critical remodeling of the college system regarding discipline, student affairs, and college operations—taking decisions that allowed the College to function in a manner that it could fulfill its inherent potential. After retiring in 2008, he served the college again between 2013 and 2014. PASSING OF SYED MOHAMMAD MOHSIN

We are sad to announce the passing of an old Aitchisonian, Syed Mohammad Mohsin, former Chairman of Mitchell's Fruit Farms Ltd., on Tuesday, July 12th, 2022. He was a successful and enterprising business leader for over 60 years in the food and agriculture based industry. After joining Aitchison College in 1938, he grew to become a well-admired Godleyite and earned the Full College Blazer. The College boys always looked up to him as their idol. After completing his HSC in 1948, he received a Bachelor's degree in Economics from Cambridge University, UK, in 1953. Concurrently, he appeared for CSS exams and stood first in Pakistan. He started his professional career with Pakistan Tobacco Company. Here is an excerpt from an interview with Syed Mohammad Mohsin's memories about Aitchison College, published in 2018.

"It is extremely important for a young boy to be inspired and stimulated. The education I received at Aitchison and the environment in which I lived, ignited in me

the ambition to compete, struggle and to do well in life. I joined Aitchison in 1938. The College had just emerged from its earlier period of being a place for children from privileged and aristocratic families. The aristocratic air had continued for a few years while I was at Aitchison, but as the atmosphere and the conditions in the Indian sub-continent changed, the British administration realized that Aitchison College also had to be part of the change. People from different backgrounds, families and circumstances were admitted into the College. The boys who joined had a stronger spirit of competition. They were much more industrious and their values were more progressive. This is what stimulated the spirit of competition." May his soul rest in eternal peace. Aameen.

Our heartfelt condolences to the family of the departed soul.

THE PASSING OF MIR BALAKH SHER MAZARI

This is with profound grief and sorrow that the College announces the passing of one of its veteran oldest Aitchisonians, a political stalwart, the 22nd Sardar and the 7th Mir of the Mazari tribe Mir Balakh Sher Khan Mazari who passed away on Friday, the 4th of November 2022 at the age of ninety-four. During his time at the College, he passed the Matriculation Examination with 1st Division and won the Progress Prize in 1945. He was the recipient of the Literary Prize twice, in 1944 and 1946. Mir Balakh Sher was an outstanding all-round member of the College sports teams. The captancy of the College Swimming and Riding teams, as well as his Colours in Hockey and Cricket earned him the prestigious Full College Sports Blazer in the summer of 1945. He was also a Kelly House Prefect. After graduating from Aitchison, Mir Balakh Sher took charge of his ancestral estate at Rojhan Mazari and discharged his duties as the Tumandar / Tribal Chieftain of the Mazari tribe. He ventured into politics at a very young age and was elected as Chairman of District

Council Dera Ghazi Khan in 1951. He became the youngest member of the Constituent Assembly in 1955 at the age of 27 and was also one of the signatories to our country's First Constitution of 1956. He also supported Begum Fatima Jinnah as her ally and polling agent during the 1964 election against General Ayub Khan. Later, he was also elected as Member of Punjab Assembly (MPA) in 1970. He was elected as Member of National Assembly (MNA) from his ancestral constituency on a number of occasions (1962, 1977, 1985, 1990 and 1993). He was also a member of President Zia ul Haq's Majlis-e-Shoora in 1982.
